ALL COMERS' TOURNAMENT.

F. M. Brooks, head of the local lodge of Elks, announces that a committee will be appointed tonight to make arrangements for an all-comers' ping-pong tournament to be started next week. The Elks will issue a general invitation to all ping-pong players in the city and when the entries are all in, the regular schedule of games will be arranged. The Elks feel confident they can hold their own against any and all comers and in this lies the secret of this general challenge which they are now about to hurl forth.

Some talk of a doubles tournament is also being indulged in. This would certainly prove immensely interesting to both players and watchers.

CHINAMAN BADLY HURT.

A. S. Akin and E. Chow, two blue jackets from the Mohican, were arrested last night on the charge of furious and heedless riding. The two men had hired horses from one of the stables in the city and were out for a good time. When near the Waikiki turn, a Chinaman on a bicycle was run over by one of the men and the unfortunate man is now in the hospital, suffering from a number of painful wounds. It will be several days before he will be able to get out of bed.

The case came up in the Police Court this forenoon but on the presentation of facts by High Sheriff Brown, it was set for Monday morning, the injured Chinaman being wanted as the most important witness for the prosecution. Later on, the two men were released and turned over to an officer to be taken aboard the Mohican.

NEW - TO-DAY

ALOHA BRANCH THEOSOPHICAL SOCIETY.
Official Notice.

At the regular annual meeting of the Aloha Branch, T. S., last March, the following officers were unanimously elected for the present year by 17 votes: A. Marques, President; S. I. Shaw, Vice President (since resigned through gross insult by A. Fullerton); S. W. Shaw, Secretary; W. Dix, Treasurer; L. D. Merry, Librarian; while Mrs. M. D. Hendricks and Mrs. A. Rowe, who dub themselves President and Secretary of the same Aloha Branch, were elected on their side by a faction of 5 votes only. The alleged cancellation of Aloha Charter by A. Fullerton, June 23, at the request of the minority only, is an illegal act which is null and void. Moreover, by Resolution of Aloha Branch, dated April 23, Alexander Fullerton, General Secretary American Section, T. S., has ceased to be recognized in that capacity by the said Aloha Branch, and all intercourse of the Branch with him has been suspended until he fully apologizes: (a) for his ungentlemanly and untheosophical conduct, in vainly insulting 5 members thereof; (b) for his undue favoritism for and on behalf of the minority faction; and now, for his gross partiality against Mr. Marques, who, on January 5th last, was unjustly and illegally expelled on false and trumped up charges by Mrs. Hendricks and her 4 followers (to-wit: Mrs. A. Rowe, the two Misses Rice, music teachers, and J. Rice, their father), in the absence of all the other members, cowardly advantage being moreover taken of Mr. Marques' own absence through sickness, so as to prevent him having any lawful trial and any chance to defend and justify himself, although he had written for a postponement of the case in order to be able to attend.

Such is what certain people call Justice, Theosophy and Brotherhood. Fortunately, the whole matter is still on appeal before Col. Olcott, President-Founder T. S.

By order of meeting of July 17, 1902
S. W. SHAW,
Secretary-elect Aloha Branch, T. S.
